The Clerk stated that outstanding matters would mainly be covered by subsequent agenda items.

20/6. RESIDENTS' COMMENTS

A resident asked if they themselves could repair a memorial that had fallen to one side. The Clerk stated that the expectation is that any memorial repair is undertaken by a stonemason but if suitable skills are detailed in the request, it would be approved.

The Clerk also clarified that whilst the Parish Council is responsible for all activity within the burial grounds, families of those interred are expected to maintain grave spaces in accordance with the Regulations themselves or by using appropriate contractors.

20/7. MANAGEMENT UPDATE

Formal inspection

The Chair reported that she and the Clerk undertook the burial ground inspection on the 22nd January and found the grounds to be in a good state. It was noted that the repaired fence at the Perry Green Burial Ground looked good. It had also been identified that now was a good time for removing the dead ivy from the wall at St Andrew's Burial Ground.

The next inspection would be undertaken by Cllr K Twort, towards the end of March.

Garden of Remembrance

Cllr Mrs J Liversage provided an update on the proposed Garden of Remembrance at Perry Green. Ideas to date were discussed and it was agreed that a costed project plan would be presented to the next meeting for approval.

In addition to, and alongside this, the revised Burial Regulations and burial charges would also be included for approval on the next meeting agenda.

Maintenance work

Cllr Mrs J Liversage explained the background to the maintenance work quotes and after discussion, it was RESOLVED to approve the following quotes from Alexander Machinery Limited:

- for Tree work (wild apple and eucalyptus) for £205 + VAT; and
- for tidy up and potential clearance of soil spoil for £490 + VAT
